

COUNCIL FOR A  
PARLIAMENT OF THE  
WORLD'S RELIGIONS

November 10, 2009

Dear Youth Media Project,

After reviewing the sample of radio segments created by youth from YMP, the Council of the Parliament for the World's Religions is pleased to invite a team of youth media producers to attend the Melbourne conference. We extend this invitation to up to 4 youth and 2 adult supervisors. Congratulations on your dedication to the craft of digital storytelling for a more socially responsible world. It is our hope that you will cover aspects of the youth strand of program offerings, as well as any other aspect of the conference as a whole and produce 2-4 radio shows that can be posted on our website and also distributed globally via other networks that serve youth and interfaith understanding in general. Members of the conference coordination committee will work with you in advance to assure the best possible alignments.

I personally look forward to meeting your team, as well as listening to your work once it's posted to our website.

Sincerely,

Dirk Ficca
